Garret,

I am forwarding the Doodle request to Patty and Frank. I would like both to participate in the discussions when possible. To make scheduling easier, I would like at least one CH2M HILL representative on each of the calls. In addition, I would like Frank to be involved in all of the discussions regarding fish trends and lipids.

Hopefully getting one of the three of us makes scheduling a little easier.

Patty, Frank follow the link below and see if you can enter your schedules for the rest of this week and next. I am not sure if Garret has to add your names first or not.

Garret, give me a call if you have any questions, my number is listed below.

Thanks JK
